#### Elementary – Third Grade

The purpose of the Prince William County Public Schools Summer Reading Recommendation is for students to enjoy quality literature and to continue developing their independent reading skills to support critical thinking, creative thinking, communication, collaboration and citizenship. Student participation in the challenge is voluntary. Students who choose to participate will read books they self-select. Students that read during the summer can grow and explore new experiences to support life-long reading habits.

The following titles are suggestions to help foster a love of reading for pleasure. Other books selected by the student with guidance from a parent, guardian, or librarian, are also acceptable.
